Trellis and Flowers STOLE

Designed by Alice Scherp

This stole features a garden theme, with the trellis pattern on the outside edge and diamond ladders framing the floral mesh pattern in the center. The different colors separate the patterns. This handspun lace-weight qiviut yarn has a lovely transparent look. Working with color changes was a bit of a challenge, but the results are well worth the effort!

Skill Level: Experienced ■■■■

Finished Measurements: 24" x 84", blocked

MATERIALS

Handspun 2-ply yarn* (80% qiviut, 10% silk, 10% merino; 2.6 oz total; approx 600 yds) in the following amounts and colors:
